Anker is the No. 1 mobile charging brand in the world in terms of the retail sales value in (3 consecutive years of) 2020, 2021, and 2022.

Data source: Euromonitor International (Shanghai) Co., Ltd., measured in terms of retail value sales in 2020, 2021, and 2022, based on research conducted in October 2023. Mobile charging brands are defined as brands if more than 75% of their retail sales are contributed by mobile phone charging products. Mobile phone charging products include chargers, wireless chargers, power banks, and charging cables, and these accessories can also be used for other consumer electronics devices.

Anker SOLIX is a brand under Anker Innovations Ltd.
